

# Thomson Reuters Authenticator

**To use this application, pair this device to your credentials by scanning the 2D Bar Code in the 2-Step Setup.**

**SCAN BAR CODE**

How do I use this app?

## Scan the 2D Bar Code from the 2-Step Authentication Setup on Your Computer Screen

Make sure the entire code is inside the blue box and the camera will automatically take the picture

# Success!

**You're ready to use the Thomson Reuters Authenticator.**

**Every time you sign into your Thomson Reuters software, you will need to use this application to approve (authenticate) this request to login.**

**GOT IT**

# That's not our code

**The 2D Bar Code you scanned is not one of ours. This application only works with Thomson Reuters Tax and Accounting Software.**

**Still having problems? Contact our Support Desk (888) Help-me**

**TRY AGAIN**

# Thomson Reuters Authenticator

**Log into your Thomson Reuters  
software to get started**
